Dear Mr. Macri:

DLA Troop Support Industrial Hardware has approved PennEngineering (cc-46384) renewal application as a Qualified Manufacturer of Class 2 and 3 Threaded Fasteners under the Qualified Suppliers List for Manufacturers (QSLM) Program for another 3 years effective the date of this letter. Keep in mind that audits may be conducted at any time, and qualification is always contingent upon your continued compliance with the *Criteria and Provisions* of the QSLM Program.

As a reminder, your company's status as an approved source is contingent upon your remaining qualified. PennEngineering's application will expire on March 29, 2019. A renewal application must be submitted 120 days prior to the date of expiration. The re-application process is time sensitive. Should the status of application become delinquent and no renewal has been submitted, your company will be processed for removal from the QSL Program.

Questions concerning your status can be addressed to Tracy L. Perkins (215)737-5433 or via e-mail at TRACY.PERKINS@dla.mil.

Sincerely,
