Information Technology Equipment Including Electrical Business Equipment Certified in Accordance with International Publications - Component

See General Information for Information Technology Equipment Including Electrical Business Equipment Certified in Accordance with International Publications - Component

PENN ENGINEERING & MFG CORP
5190 OLD EASTON RD
PO BOX 1000
DANBORO, PA 18916 USA

Self-clinching panel fasteners component evaluated for compliance with International Publication IEC 60 950; Models PF10, PFC2P, PFC4.

Marking: Company name and model designation.
Last Updated on 2003-02-13

The appearance of a company's name or product in this database does not in itself assure that products so identified have been manufactured under UL's Follow-Up Service. Only those products bearing the UL Mark should be considered to be Listed and covered under UL’s Follow-Up Service. Always look for the Mark on the product.

UL permits the reproduction of the material contained in the Online Certification Directory subject to the following conditions: 1. The Guide Information, Designs and/or Listings (files) must be presented in their entirety and in a non-misleading manner, without any manipulation of the data or drawings. 2. The statement "Reprinted from the Online Certifications Directory with permission from Underwriters Laboratories Inc." must appear adjacent to the extracted material. In addition, the reprinted material must include a copyright notice in the following format: "Copyright © 2008 Underwriters Laboratories Inc."
Information Technology Equipment Including Electrical Business Equipment Certified in Accordance with International Publications - Component

The devices covered under this category are incomplete in certain constructional features or restricted in performance capabilities and are intended for use as components of complete equipment submitted for investigation rather than for direct separate installation in the field. THE FINAL ACCEPTANCE OF THE COMPONENT IS DEPENDENT UPON ITS INSTALLATION AND USE IN COMPLETE EQUIPMENT SUBMITTED TO UNDERWRITERS LABORATORIES INC.

REQUIREMENTS

This category covers Recognized Component—Information Technology Equipment Including Electrical Business Equipment that has also been evaluated in accordance with International Electrotechnical Commission IEC 60950, "Safety of Information Technology Equipment" and/or European Norm (EN) 60950, "Safety of Information Technology Equipment" as noted in the individual Recognitions.

UL MARKING

Components Recognized under UL's Component Recognition Program are identified by markings consisting of the Recognized company's identification and catalog, model or other product designation. In addition, components produced under the UL Component Recognition Program will also bear the Recognized Component Mark and adjacent to it the statement "ALSO EVALUATED IN ACCORDANCE WITH IEC ____, ____ Edition, Amendments ____ and/or EN ____, ____ Edition, Amendments ____", as applicable.

The Listing or Classification Mark of Underwriters Laboratories Inc. is not authorized for use on, or in connection with, Recognized Components. Only those components that actually bear the "Marking" should be considered as being covered under the Component Recognition Program.
