

MICRO-MATE[®]

HAND TOOL

The **PEMSERTER[®] MICRO-MATE[®] press** is a versatile hand tool weighing only 1.25 kg / 2 3/4 lbs. that can develop a squeezing force of 1,134 kg / 2,500 lbs.

The press kit contains one hand tool, one flat punch, seven punches and dies, one punch adapter bushing, one edge-depth guide, five fastener anvils and a storage case. The metric kit installs nut sizes M2 to M5, while the unified kit installs nut sizes #2-56 to #10-32.

Features and Benefits

- ▶ Equipped with punches and dies to punch fastener mounting holes in metal sheets.
- ▶ Changes to a flat punch and recessed anvil to easily install metric or unified self-clinching nuts.
- ▶ Ideal for prototype shops or short production runs.
- ▶ One-year parts warranty.
